Amendment of claims	10/688,025

NOTES/COMMENTS:

Dear Examiner Andrews:

I am submitting this Amendment (7 pages) in response to your telephone inquiry yesterday regarding whether Applicant would accept cancellation of certain claims to gain allowance of the claims. In that discussion, you stated that it would be acceptable to maintain claim 16 in the allowable claims, so long as claim 16 was amended to include the limitations of claim 1. Amended claim 16 set forth herein includes the limitations of claim 1, and thus, should be allowable.

We look forward to receiving the Notice of Allowance for this case.

Thank you for consideration, and taking the time to contact us yesterday with the good news that you intend to allow the case.

Sincerely,

M. Robert Kestenbaum
